

Abhiram TB

MERN Stack Developer

Wayanad, Kerala, India

+91 8590 876697 abhiramthaipparambil@gmail.com GitHub LinkedIn

Profile Summary

Self-taught MERN Stack Developer with hands-on experience building scalable full-stack applications using React, TypeScript, Node.js, and MongoDB. Specialized in Clean Architecture, REST API development, authentication systems, and real-time communication using Socket.io and WebRTC. Passionate about backend development, scalable system design, and continuous learning.

Technical Skills

Languages: JavaScript, TypeScript, HTML, CSS
Frontend: React.js, Redux, Tailwind CSS
Backend: Node.js, Express.js, REST API, Clean Architecture
Database: MongoDB, PostgreSQL, Redis
Tools & Platforms: Git, Docker, AWS, Vercel,
Concepts: JWT Authentication, SOLID Principles, MVC Architecture, WebSockets, WebRTC

Projects

ServEase – Service Finding Platform	GitHub
- Built a full-stack service-finding platform using MERN stack and TypeScript. - Implemented JWT authentication with access and refresh tokens. - Integrated Redis for OTP storage and secure verification. - Developed location-based service search using MongoDB Geospatial queries. - Implemented real-time chat and notifications using Socket.io. - Developed peer-to-peer video calling feature using WebRTC and Socket.io signaling. - Applied Clean Architecture principles for scalable backend structure.	
E-Commerce Application	GitHub
- Developed full-featured e-commerce platform using Node.js, Express, and MongoDB. - Implemented authentication, product management, and order system. - Built REST APIs and integrated frontend with backend.	

Experience

Full Stack Developer (Self Learning / Bootcamp)	2024 – Present
- Built multiple production-level MERN stack applications. - Practiced Clean Architecture and scalable backend development. - Worked with Docker, Redis, AWS, and modern deployment tools. - Implemented authentication, payment integration, real-time chat, and video calling systems.	

Education

BroCamp – Full Stack Development	2024 – 2026
Higher Secondary Education	Completed 2023
